TO OUR

We have just added some seventeen different grades of NEW-MARKET COATS, together with quite a number of other styles. This, with the quantity already in our House, make one of the largest lines ever opened in the city of Sacramento. These garments have been bought with a special regard for this market direct from the manufacturers, and in larger quantities than can be advantageously handled by any one Retail House. In buying for our Five Houses, we enjoy facilities and advantages not extended to smaller buyers; and making all purchases for CASH as we do, still further enhances the value of our account to Importers and Manufacturers. Hence, we are enabled to obtain the lowest possible CASH prices for larger quantities. We believe our expenses, in proportion to our sales, are less than any House in this city. We own our goods and our property. We are satisfied with a small profit. Our business is conducted upon a plain, simple, straightforward basis; thus it may be readily seen why we can and do name the lowest prices on this coast for good goods.

OUR CLOAK DEPARTMENT is now teeming with New Styles, in a great variety of qualities. A careful comparison can only convince you that larger buying, combined with our other advantages, has placed our CLOAK DEPARTMENT among the foremost on this coast. Secure our prices before making purchases. We make to order any style of a garment desired, and guarantee a perfect fit.

Country Orders intrusted to our care Receive Prompt and Careful Attention.

Dr. J. D. MacLennan,

IN SACRAMENTO.

An opportunity is now afforded to all who desire to consult with the Great Healer.

ATTORNEY-GENERAL MARSHALL'S REPLY TO HON. T. E. JONES: OFFICE OF THE ATTORNEY-GENERAL OF THE STATE OF CALIFORNIA, HON. T. E. JONES—My DEAR SIR: I have just received your letter of 15th. Dr. MacLennan has wonderful power. He was of great and singular service to me. I would certainly try him if I were in your place. He has worked some wonderful cures within my knowledge. I do not pretend to understand the force he uses, nor do I think he is useful in every case, but in Nervous Depression, or Exhaustion, or any Nervous Affection, including Paralysis, I think he is very effective. Respectfully,

E. C. MARSHALL.

Mr. CHARLES CROCKER the railroad millionaire, cured of rheumatism in three treatments. A MOTHER'S JOY.

San Jose, June 15, 1884.

I wish to return a mother's heartfelt thanks to Dr. J. D. MacLennan for the wonderful change he has worked for the better in the health of my baby boy. My child is ten months old, and since birth has been alling. Several prominent doctors treated him, but without avail, until about one week ago I called upon Dr. Maci ennan; and now, after eight that short time, my baby will sleep for hours, whereas before ten minutes was a long nap. Besides this, the nervousness has passed away, its bowels have become regular, and baby has gained one pound. I can never repay the Doctor for this worderful change he has wrought in my child; but I wish to give this testimonial, so that it may be the means of bringing joy and sunshine to another household. Respectfully,

MRS. OHS BLABON,

No. 339 South First street.

A WONDERFUL CURE OF DEAFNESS. Mrs. Tannor, an elderly lady, 74 years of age, living at Berryessa, now rejoices in the restoration of her hearing. She can hear her clock tick in the next room, so it thing she has not done before in ten years. Dr. MacLennan brought about the wonderful change in one treatment.

This is to certify that I have been deaf in my left ear since childhood, having no recollection of ever hearing a sound from it. I was also partially deaf in my right ear. I went to see Dr. MacLennan in his office in Tantau Block, who, to my great joy, instantly restored my hearing. To me and my friends it seems like a miracle.

C. E. LAKE.

To give a list of his cures would be impossible; besides it is unnecessary, for if you doubt these, you would not believe others. He treats and cures all curable diseases of whatever name or nature, in whatever part of the system located, or however much heretofore doctored and failed to be cured. NO

[SPECIAL DISPATCHES TO THE RECORD-UNION.]

'If you are suffering from poor health or languishing on a bed of sickness, take cheer if you are simply ailing, or if you feel 'weak and dispirited, 'without clearly know-'ing why Hop Bitters 'will surely cure you. Blaine's Movements. New York, October 30th.—Blaine went to Brooklyn this afternoon to attend a reception and mass meeting there and to review a parade. Flags of the city were hoisted on the City Hall, municipal buildings and many private residences. Blaine went first to the Mansion House, where an informal reception was held, and hundreds of people were presented to him. If you are a minister and have overtaxed yourself with your pastoral duties, or a mother, worn out passoral duties, or a mother, work out with care and work, or a man of business or labor, weakened by the strain of your everyday duties, or a man of letters toiling over your mid-night work, Hop Bitters will most surely strengthen you.

If you are suffering from over-eating or rinking, or any indiscretion or dissipation, or are young and growing too fast, as is "Or, if you are in the workshop, on the farm, at the desk, anywhere, and feel that your system needs cleansing, toning, or stimulating, without intoxicating, if you are old."

blood thin and impure, pulse feeble, nerves unsteady, faculties waning, Hop Bitters is what you need to give you new life, health and vigor." If you are costive, or dyspeptic, or suffering from any other of the numerous diseases of the stomach or bowels, it is your own fault if you remain ill. If you are wasting away with any form of Kidney disease, stop tempting death this moment, and turn for a—cure to Hop Bitters.

If you are sick with that terrible sickness, Nervousness, you will find a "Balm in Gilead" in Hop Bitters. —If you are a frequenter, or a resident of

After the meeting in Williamsburg Blaine took his place at the head of the procession, the rain then falling heavier than ever. As the procession reached the Republican headquarters, in Montague street, Blaine took his stand on a platform, and sheltered by a waterproof and an umbrella reviewed the parade, which numbered about 6,000 men in uniform. The unceasing rain had drenched them through and through, and the torches, for the most part, were extinguished. The Business Men's Parade in New York.

The Business Men's Parade in New York.

New York, October 30th.—A Tribune editorial says: There cannot be two honest opinions about the business men's parade. Everyone who saw it must admit, if he speaks truthfully, that it was the most significant demonstration of the kind which ever took place in the city. In numbers it was three times as large as the Democratic parade of hast Saturday, and the crowds which lined Broadway from the Battery to Madison Square to greet it with continuous cheers, were tremendous. Its quality was also superior. All the business interests and the great trades of the city were represented by their leading men, All the business interests and the great trades of the city were represented by their leading men,

There was no demonstration of any sort in accordance with Governor Cleveland's expressed desire.

NEW YORK, October 30th.—Blaine was given a reception by the ladies of Brooklyn at the Academy of Music this atternoon. In response to an address delivered by Rev. Dr. Behrens, on behalf of the ladies, Blaine said:

"In the important national contest which now draws to a close, in much of the progress of which I have personally witnessed, two things have especially impressed me—the influence exerted by the women of the United States, and that exerted by the young men. [Applause.] And I do not know that I ought to divide these, for I attribute the great interest and activity of the young men largely to the influence of their mothers. But I should be vain indeed if I should take to myself any great part of that which means only an expression of sympathy and support in that great and commanding contest, in which, for the time, I am called to represent the best patriotism, the best heart, the best aspiration, of the American Republic."

The Political Caldron. HANFORD, October 30th .- A goodly delegation of Republicans, with a brass band, escorting Hon. John F. Swift from Visalia to this place this afternoon, were met a few miles out of town by many of the Republicans of this sec-tion, and brought into town to the sound of booming cannon and martial music, and with flying banners. The anticipated pleasure of the evening was sadly married by a serious accident of Frank E. Belden, who was firing the cannon. By a premature explosion his left hand was dreadfully lacerated. Belden is a hard working mechanic, and has a large family. A subscription was taken up at once for his benefit, and a nice sum realized.

## CONSUMERS COAL OILS!

A LARGE QUANTITY OF THE COAL OILS coming to this market is put up short measure, and contains but 9 to 9½ gallons to the case. Five gallons of Coal Oil, with can, weigh 35½ pounds. Parties interested should weigh all the Coal Oils they have on hand and see if they come up to this standard. If not, they have been swindled, and should make claim for all shortages. A careful weighing of 250 cans of different brands shows an average shortage of 6 per cent. or 6 gallons in each 200 cans of different braids shows an average shortage of 6 per cent., or 6 gallons in each 100! Thus each purchaser of 100 cases is defrauded of 60 gallons of Oil. This loss falls directly on the consumer.
